What are my obligations?

- Before you ask for help and make a claim, please check that the circumstances are covered by this insurance.
- If you need help, you must contact the helpline and not a contractor direct; otherwise your claim will not be covered. Please quote your name and postcode together with your policy number.
- You must tell the local gas company if you find a gas leak. (Call National Grid on 0800 111 999)
- You must provide us with honest, accurate and complete information, and inform us without delay of any changes in your situation. In the event of a claim, you must notify us as soon as possible.
- You’ll need to let us negotiate, defend or settle any disputes or claims on your behalf. You’ll also need to let us take legal action in your name to get back any payment we’ve made under this policy.
- It’s really important that you’re honest with us when you’re buying a policy or making a claim. Providing wrong or misleading information that you know could either help you gain financially, or us suffer a financial loss, is fraud and pushes up the cost of insurance for all customers.

When and how do I pay?
