Where am I covered?

- ✓ UK and the Isle of Man

What are my obligations?

- Before you ask for help and make a claim, please check that the circumstances are covered by this insurance
- If you need help, you must contact the helpline and not a contractor direct; otherwise your claim will not be covered. Please quote your name and postcode together with your policy number
- You must tell the local gas company if you find a gas leak. (Call National Grid on 0800 111 999)
- You must provide us with honest, accurate and complete information, and inform us without delay of any changes in your situation. In the event of a claim, you must notify us as soon as possible
- You'll need to let us negotiate, defend or settle any disputes or claims on your behalf. You'll also need to let us take legal action in your name to get back any payment we've made under this policy
- It's really important that you're honest with us when you're buying a policy or making a claim. Providing wrong or misleading information that you know could either help you gain financially, or us suffer a financial loss, is fraud and pushes up the cost of insurance for all customers
- You should check that you don't have any other insurance policies that may cover the same events and costs as these benefits. If you are covered under another policy, we may not pay out for the entirety of any claim.

When and how do I pay?

- Annually by credit/debit card, cheque, postal order or cash, or;
- Monthly by Direct Debit

When does the cover start and end?

This policy starts from the date you have chosen to add the cover and will run concurrently with your home insurance.

- You can cancel the policy any time after the 14 days. Providing no claim has been made you will only have to pay for the number of days you were covered
